A screenshot of a blog post management interface. The left sidebar shows navigation options: Posts, Stats, Comments, Earnings, Pages, Layout, Theme, and Settings. The main area displays a list of posts under the heading 'All (3)'. The first post is titled 'Travel Blog' and has a status of 'Draft' with a date of 'Nov 25'. The second post is titled 'Convert JPG to Word Online' and is 'Published' on 'Nov 25'. The third post is titled 'Merge PDF Files Together Online' and is 'Published' on 'Nov 25'. The fourth post is titled 'Merge PDF and Image Online' and is 'Published' on 'Nov 25'. Each post has a 'View' button with a red box around it. The status 'Travel Blog' is also highlighted with a red box. The bottom of the screen shows a taskbar with various icons and the date '25-Nov-23'.

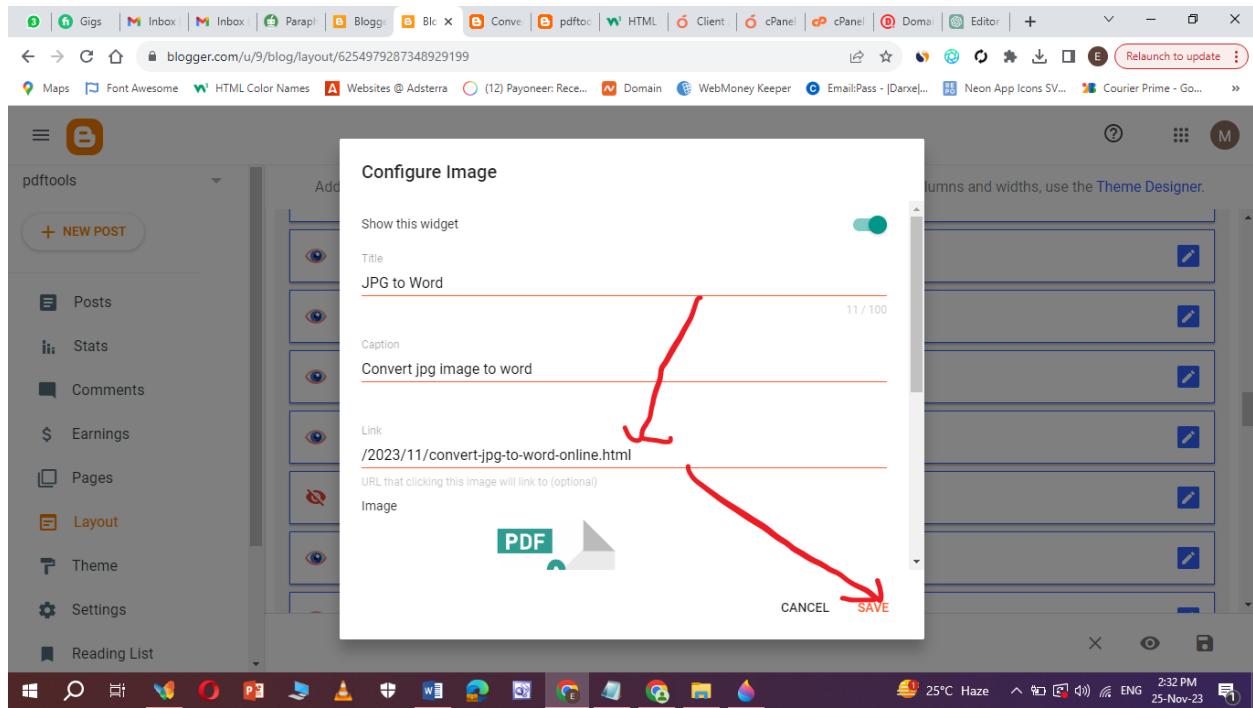

A screenshot of a web browser showing a context menu. The menu is open over a form on a website titled 'Convert JPG to Word Online'. The menu items include Undo (Ctrl+Z), Cut (Ctrl+X), Copy (Ctrl+C), Paste, Paste and go, Delete, Select all (Ctrl+A), and Manage search engines and site search. The 'Copy' option is highlighted with a red box. The website URL is 'https://allfreepdftool.blogspot.com/2023/11/convert-jpg-to-word-online.html'. The bottom of the screen shows a taskbar with various icons and the date '25-Nov-23'.

The screenshot shows the Blogger dashboard with a sidebar on the left containing navigation links: Posts, Stats, Comments, Earnings, Pages, Layout (highlighted with a red box and arrow), Theme, Settings, Reading List, and View blog. The main content area displays a list of posts under the heading 'All (3)'. Each post card includes a title, a snippet, and a 'Travel Blog' category. The bottom of the screen shows the Windows taskbar with various pinned and running applications.

The screenshot shows the Blogger dashboard with the 'Layout' section selected. The sidebar includes a 'pdftools' section with a 'NEW POST' button. The main content area displays a list of layout gadgets: WEBP to PDF, PDF to WEBP, PDF To PNG, JPG to Word, Document to PDF, and PDF To Text. Each gadget has an edit icon (pencil) and a delete icon (trash can). A red arrow points to the edit icon of the 'PDF To PNG' gadget. The bottom of the screen shows the Windows taskbar.

You can change icon, title and caption.
